

Keith Deane

STUDENT SOFTWARE DEVELOPER @ CODE INSTITUTE

📍 Co Cork, Ireland ✉ kdeane87@gmail.com ☎ 0868628416

Professional Profile

Student Full Stack Software Developer with Code Institutes online programme. Previous work experience included, self-employed painter and decorator, security work and the Irish Naval Service. Highly computer literate and ready for further upskilling and training, people-oriented and particularly skilled in dealing with clients. Works well under pressure to meet deadlines, prioritising work, multi-tasking, and delegating work when necessary. An adaptable team player, skilled communicator, and lifelong learner, prepared for blended work, part of which may be completed from home.

Competencies
